CHAPTER AT A GLANCE

FROM THE ADVISORS COUNCIL DESK

Mr. Panneer Selvam Subbiah (Batch of 1984) | Advisor

The strength of PSG Tech lies in its alumni community, where mentoring, networking, and collaboration connect generations and create meaningful impact. Let us continue to uphold the values of excellence, innovation, and service while strengthening the PSGian legacy.

Dr. Babu Radhakrishnan (Batch of 1987) | Advisor

As PSG Tech alumni, we have the opportunity to transform knowledge into action by sharing expertise, supporting one another, and giving back to society. Active alumni engagement will ensure that our alma mater's values continue to inspire future generations

FROM THE OFFICE BEARERS DESK

Secretary's Message - Ms. Vijai Ekambaram (1993)

I'm proud to be associated with the Chennai Chapter, in fact even more prouder than being associated with PSG as an institution. The networking and maturity shown by Chennai Chapter members and the vibrant culture that allows us to bond across generations are the USP of Chennai Chapter and a matter of personal pride.

Viva La PSG Tech Chennai Chapter!

Joint Secretary's Message - Ms. Jalsree N. (1992)

A Newsletter for an alumni organisation is important to create a registry of the events conducted . It also gives a chance for alumni to exhibit their articles. The NL committee is doing a great service in curating the newsletter. As we continue to expand our outreach and engagement, I encourage every PSGian to reconnect, participate actively, and share your ideas. Together, we can preserve our rich heritage while creating new opportunities for learning, collaboration and service.

Treasurer's Message - Mr. Deenadayalan G. (1987)

A sustainable and impactful alumni association is built on trust, transparency, and responsible stewardship. Every contribution made by our members enables the Chapter to organize meaningful programmes, strengthen alumni engagement, and support initiatives that benefit both our institution and the wider community. I extend my sincere gratitude to all our members for their continued confidence and support.

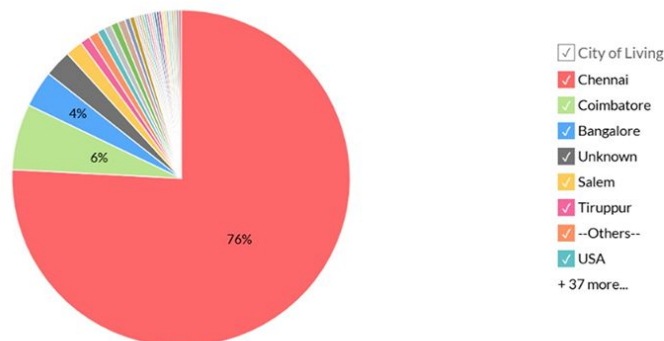

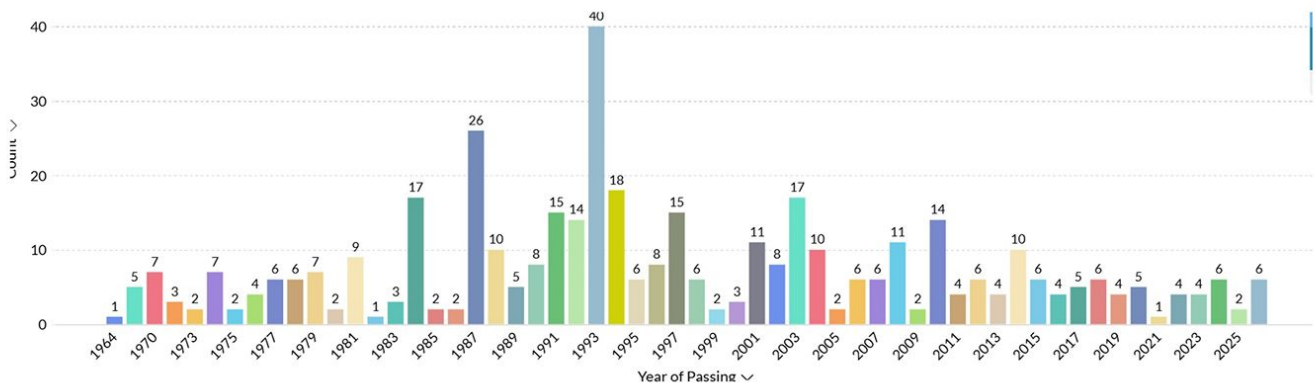

MEMBERSHIP GROWTH

The Chennai Chapter continued to welcome new members, strengthening one of the largest and most active PSG alumni networks in the country. As of 2026, we proudly stand at 422 members — a testament to the enduring bond shared among PSGians across generations

400+ AND RISING! — CHENNAI CHAPTER'S ALUMNI MOMENTUM CONTINUES The Chennai Chapter has crossed 400+ members for the second consecutive year! For FY 2026–27, the Chapter has reached 420 members and is steadily inching towards the milestone of 500. From around 250 members in FY 2023–24, the Chapter has witnessed steady growth year on year , recording an impressive 70 % growth over the period. What makes this achievement even more special is the enthusiastic participation of PSG alumni spanning generations — from the Class of 1966 to the Class of 2026 — coming together to reconnect, contribute and strengthen the PSG family. The graph says it all! The Chennai Chapter continues to be one of the most active PSG alumni associations, and is the only PSG Tech alumni chapter registered under the Societies Act, apart from the Parent Chapter. 420 and counting... 500 is now within sight

Interesting Statistics that can kick in a war between 1993 batch topping the list with 40 Members Vs the Gen Z batches!! Catch up to the Millennials Guys & Girls!!

Innovation thrives through meaningful conversations, knowledge sharing, and collaboration. Our alumni network connects PSGians across industries, creating opportunities for ideas and partnerships to flourish.

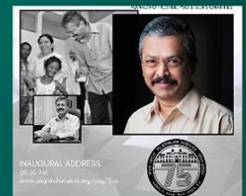

- Mr. Sandeep Balekai (Batch of 1987)

QUARTERLY CHAPTER HIGHLIGHTS

- **PSG TECH PLATINUM JUBILEE – USA CELEBRATION**
- **SPARKING BRILLIANCE – BRAINIACS 2026: THE FAMILY ONLINE QUIZ – 23RD MAY 2026**
- **PSGTAACC BADMINTON INAUGURAL EVENT – 21ST JUNE 2026**
- **EDGE INAUGURAL EVENT @ PSG CAMPUS – 10TH JULY 2026**

PSG TECH PLATINUM JUBILEE – USA CELEBRATION

The PSG Tech Platinum Jubilee Celebration in the Bay Area, California, commemorated 75 years of excellence by bringing together global PSGians, industry leaders, and innovators. A key highlight was the fireside chat between Jay Vijayan, Founder & CEO, Tekion, and Maran Nagarajan (B.E. Production Engineering, 1994), Co-Founder & CEO, KaarTech, on entrepreneurship and technology leadership. With strong support from KaarTech and active contributions from the PSG Tech Alumni Association Chennai Chapter, the event strengthened alumni engagement and showcased the growing global impact of the PSG Tech legacy.

#SPARKING BRILLIANCE BRAINIACS 2026: THE FAMILY ONLINE QUIZ – A CELEBRATION OF KNOWLEDGE AND TOGETHERNESS

What a phenomenal evening we had at #BRAINIacs 2026: The Family Online Quiz! Our heartfelt thanks to all our alumni and their families who joined us on Saturday, 23 May 2026, making the event a resounding success. It was truly wonderful to witness our alumni community reconnect, compete, and most importantly, enjoy quality family time together.

The highlight of the evening was undoubtedly the enthusiastic participation of the young BRAINIacs, who confidently tackled challenging questions and impressed everyone with their knowledge and spirit.

CONGRATULATIONS TO OUR CHAMPIONS!

- **1st Place :** Soundarya (Robotics – 2019 Batch)
- **2nd Place :** Amudha (Textile – 2003 Batch)
- **3rd Place :** Chitra Rajesh (ECE – 1993 Batch)

We extend our sincere appreciation to every participating family for bringing such enthusiasm, sportsmanship, and positivity to the event.

PSG ALUMNI CHENNAI CHAPTER HOSTS INAUGURAL BADMINTON FESTIVAL

PSG TECH ALUMNI CHENNAI CHAPTER HOSTS ITS INAUGURAL BADMINTON FESTIVAL 2026

The PSG Tech Alumni Chennai Chapter proudly organized its Inaugural Badminton Festival 2026, marking a significant milestone in promoting fitness, fellowship, and alumni engagement. The event brought together alumni and their families for a day filled with spirited competition, laughter, and meaningful connections.

Hosted in a vibrant and family-friendly atmosphere, the tournament featured exciting matches across five categories—Kids, Men's (<45), Men's (>45), Women's, and Mixed Doubles. The event attracted 49 unique alumni registrations, with a total gathering of 70 alumni and family members, out of which 52 participants attended. Adding to the success, 8 new members joined the Chennai Chapter through this initiative, reinforcing the event's role in strengthening the alumni network.

The day began on an energetic note with a warm-up and stretching session led by Mr. Madhu, who prepared participants for the tournament while emphasizing the importance of fitness, injury prevention, and sportsmanship. His engaging session set the perfect tone for an exciting day of badminton.

TOURNAMENT WINNERS & RUNNERS-UP

Kids Category

Winners: Shahid & Shamshad
Runners-up: Mukil & Abhinav

Men's (<45 Years)

Winners: Mr. Sibiram & Mr. Harish
Runners-up: Mr. Charles & Mr. Shanmugam

Men's (>45 Years)

Winners: Mr. Gopal & Col. Appadurai
Runners-up: Mr. Sandeep & Mr. Sudram

Women's Category

Winners: Ms. Sadhana & Ms. Umadevi
Runners-up: Ms. Sandhiya & Ms. Gayathri

Mixed Doubles

Winners: Mr. Venkat & Ms. Sadhana
Runners-up: Ms. Swetha & Col. Appadurai

The tournament showcased remarkable talent, competitive spirit, and exemplary sportsmanship. Beyond the matches, it became a wonderful platform for alumni to reconnect, families to spend quality time together, and children to experience the warmth of the PSG Tech alumni community. The cheering from families and spectators added to the festive atmosphere throughout the day.

A special word of appreciation goes to the organizing team—Vinodh Kumar, Shweta, Priya, Janank Sir, and Sundram Sir—whose meticulous planning, coordination, and tireless efforts ensured the smooth execution of the event. Their dedication transformed the inaugural badminton festival into a memorable experience for everyone.

The Chennai Chapter also extends its sincere gratitude to all the volunteers, participants, families, supporters, and well-wishers whose enthusiasm and cooperation made this event a grand success.

The overwhelming response and positive feedback have inspired the chapter to make the Badminton Festival a signature annual event. More than just a tournament, it celebrated the values that define the PSG Tech alumni family—fitness, friendship, teamwork, sportsmanship, and lifelong connections.

Here's to many more years of smashing rallies, stronger friendships, and an even larger alumni family!

Until next time... Keep Smashing & Stay Connected!

Innovation thrives through meaningful conversations, knowledge sharing, and collaboration. Our alumni network connects PSGians across industries, creating opportunities for ideas and partnerships to flourish.

- Mr. Manish Ramakrishnan (Batch of 1987)

EDGE (EMPOWERING DREAMS & GUIDING EXCELLENCE) MENTORSHIP PROGRAM

The PSG Tech Alumni Association Chennai Chapter, in collaboration with the Production Engineering Association (PEA) and the Society of Manufacturing Engineers (SME), successfully inaugurated the EDGE Mentorship Program with an engaging guest lecture on "From Campus to Corporate – Becoming Industry Ready."

This initiative by CUBS of Chennai Chapter, led by Mr. Anantha Bharathi S (Class of 2020, Production Engineering), aims to strengthen industry-academia collaboration.

The mentorship program covers:

- Placement Mentorship from Alumni
- Internship opportunities in Industries & Startups
- Consultancy work opportunities
- Live industrial projects for final year students
- Networking opportunities & Future Technology awareness sessions

Ms. Febin M F, Head – L&T EduTech (1992 Batch, B.E. Civil Engineering), delivered the keynote address emphasizing technical expertise, professionalism, adaptability, and teamwork for a successful engineering

Mr. Umesh has been appointed as Additional Secretary & Officer on Special Duty (OSD) to the Chief Minister of Kerala, a prestigious position that speaks volumes about his dedication to public service and administrative excellence. His journey from PSG Tech to the corridors of governance is an inspiration to every PSGian.

- Successfully supervised 4 PhD scholars to completion
- Mentored and guided more than 30 PhD research scholars
- Authored 400+ research publications, including 150 SCIE-indexed papers
- Achieved 5,000+ citations, h-index of 40, cumulative impact factor of 475
- 2026: 24 research publications including 15 SCIE/ESCI-indexed articles

FRIENDSHIPS FORGED FOREVER – PSG BOND AGELESS

SEVEN DECADES OF BROTHERHOOD: FROM CLASSROOMS TO A LIFETIME OF TOGETHERNESS

Since 1955, a group of PSG Tech classmates have kept a sacred promise — to meet every single year without fail. Spanning over seven decades, their friendship has weathered the storms of time, distance, and life's many chapters. What began as camaraderie in PSG College of Technology in 1955–59 has blossomed into an unbreakable bond that endures to this day. They continue to gather annually, sharing laughter, memories, and the irreplaceable warmth of lifelong friendship. Their resolve remains: to meet every year until only one is left to tell the tale.

KAAR TECH – AI & ENTERPRISE TRANSFORMATION

Kaar Tech strengthens artificial intelligence play, plans data analytics acquisition, IPO

Sindhu Hariharan
Chennai

Chennai-based Kaar Tech, an AI-led enterprise transformation firm, is positioning itself as an enterprise operating system (EOS) enabler for clients in the AI age, and is looking to close an acquisition in the data analytics space by the end of this fiscal.

The company is targeting firms with capabilities across the full data stack, including

rections in IT stocks, it remains optimistic about long-term market fundamentals.

STRONG VALUE

"The recent downturn is temporary. These companies continue to deliver strong value, and market rationality will eventually return," Nagarajan said.

Founded in 2005 in Chennai, Kaar Tech specialises in EOS modernisation across enterprise applications, data, cloud and AI.

layers, rather than directly, Nagarajan said.

The firm, which has around 3,000 employees, believes that revenue growth is not linear any more. "Our revenue per employee is currently at around \$66,000, perhaps the highest in the industry, and we aim to increase this by another 10-15 per cent," said Nagarajan.

Kaar Tech has also been steadily pivoting towards Western markets as part of its global expansion strategy.

Maran Nagarajan, CEO, Kaar Tech

Maran Nagarajan, Founder & CEO of Kaar Technologies and a proud PSG Tech alumnus, continues to chart a visionary path at the intersection of AI and enterprise transformation. Under his leadership, Kaar Tech has secured \$11 million in strategic funding from Avataar Ventures to accelerate AI-led growth initiatives. The company is actively pursuing an IPO as it scales its proprietary AI platforms — including KaarTech AI and the CLAP framework — to empower global enterprises with intelligent automation, data analytics, and digital transformation capabilities.

GOAT ROBOTICS – AMR MANUFACTURING INNOVATION

Muthu Vangaliappan, a graduate from the Robotics & Automation stream (Class of 2024), has made a remarkable leap from campus to industry with his venture Goat Robotics. The company recently celebrated the grand opening of its state-of-the-art Autonomous Mobile Robot (AMR) manufacturing facility — a significant milestone. Goat Robotics designs and manufactures AMRs for warehouse automation, logistics, and industrial applications, exemplifying how PSG Tech's ecosystem produces innovators building the future of manufacturing in India.

SOCIAL RESPONSIBILITY INITIATIVES

ALUMNUS PHILANTHROPIC GRANT CONTRIBUTIONS THROUGH UCT

ULTIMATES CARE TRUST

We Spread Humanity

A philanthropic initiative of 1990-94/95 BE batch Alumni, from PSG College of Technology started its social journey on 23rd July 2020 to spread humanity. So far UCT's activities have reached and impacted as many as 36,682 individuals in 121 project initiatives at various geographical locations worth Rs. 55 Lakhs and is continuing to spread Humanity. A Peek at their contributions for this year... Until now Before that a tit-bit... They named their trust honouring their Tech Batch Name – ULTIMATES. PSG Brand brings a bond by itself, isn't it??

EDUCATION

- Kishore an 11th Standard student, who had achieved more than 90% in his 10th Standard, due to his father's limited income and inability to cover the expenses, sought support from UCT for his 12th Standard school fees at Sowdeswari Vidyalaya, Selvapuram-Coimbatore. UCT supported him for the payment of Rs. 25,000 towards school fee.
- B.Anitha & A.Karthika - Two Students from the village background, with good marks in 12th and having a sports background were supported in their first-year college fee. Both their families lacked sufficient income to cover college expenses. UCT supported Rs. 24,347 for both students in the commerce department at APC Mahalakshmi College arts and science for women at Tuticorin
- A.M Mohammed Riyan Shakeen - who has completed 12th Standard got selected for admission in B.Sc. Digital and Cyber Forensic Science at VLB College. His father works in stationery shop, Mother is housewife. UCT Supported for his admission with college fee payment of Rs. 25,000 directly to the institute

MEDICAL

- Sanjay a 13-year-old special child, at the age of 4 he was identified with his right brain not functioning- hence his entire left side of the body is paralyzed. He often gets seizures. He is diagnosed with Chest TB, and he cannot walk and stand properly. To support him UCT provided him with a wheelchair worth Rs.12,300.
- Yashwant, aged 17, has heart block issue from birth, also with the issue of spinal cord disc compression. He has been under medication and recently faced issues in his heart, Doctors recommended for Permanent Pacemaker. Mother Mrs.Gunvathi - Contract worker at a small Industry in Coimbatore and his father - Ex Contract worker at LMW, now not working due to Health issues and hence UCT supported his hospital bills for Rs. 50,000 a small portion

ANNADHANAM

On every Tamil New Year 14th April – UCT gifts food items worth Rs. 10,000 to an Asharam, Universal Peace Foundation located @ Padhuvampalli near Karumathampatti where 300 plus inmates reside. They have around comprising elderly people, kids and physically and mentally challenged persons.

ZORROR'S SCHOLARSHIP CONTRIBUTORS

Two of our distinguished alumni, Anantha Bharathi & Vignesh Sivan, both class of Prod Eng '2020, have generously stepped forward to support the educational dreams of deserving students. Their contributions to the Zorror Scholarship Fund have helped shape the academic futures of aspiring engineers, ensuring that financial barriers do not stand in the way of talent and determination.
